Dear Business Owner:

Our Pella high school and middle school athletes benefit from your business membership to the Pella Athletic Booster Club. This past year, the Pella athletes have had success in many different programs and we are very proud of them. It is through donations like yours which allow us to purchase equipment for athletic teams, to support capital projects that benefit the athletic department, and to provide funding for our strength & conditioning program for all athletes. The booster club funds support **ALL** Pella athletics, including high school and middle school.

We have two levels of business membership, although any amount is gratefully appreciated. Below you will find the benefits associated with each level of support. Please note that the business Booster member levels do not include the printed advertisements that appear in the programs. These ads are sold by the Town Crier.
