

THE GOLDEN AGE GALA

March 9, 2019

Hello Parents & Caregivers,

Spring is *almost* in the air and that means we are on the countdown until Prom! With great excitement and anticipation, we would like to provide some details about **Prom reservations & ticket sales, valet & promenade logistics, dinner & dance details, and provide an After-Prom snippet.**

PROM RESERVATIONS & TICKET SALES

March 19-22, students will make reservations for the Prom dinner.

April 2-5, students will purchase their Prom and After-Prom tickets.

Each Prom group will designate **ONE PERSON** from their group to make the group's reservation through a Google form titled, "2019 Prom Reservations". This form will be emailed to seniors and juniors on March 19. Deadline for all reservations is the end of the day on March 22.

The form will ask for the following information:

- Reservation name & mobile number
- Total number of people in the group
- Names of each member in the group
 - This includes names of guests from other schools and PHS underclassmen.
 - If a guest name is unknown at the time of making the reservation, please type "Ryan's Guest", "Sally's Guest", etc...so we can secure them a seat.
- Dietary needs for any group member
 - This could include but not limited to gluten-free, lactose-free, vegetarian, etc...

April 2-5, tickets for Prom (\$35) & After-Prom (\$15) can be purchased during SMART lunch in Mrs. Van Norden's room #1403. **Checks or cash only.** Tickets are necessary for entrance into each event.

VALET & PROMENADE

[VALET & PROMENADE MAP - click BELOW](#)

On the evening of April 6 starting at 4:00 pm, valet parking will be available to accommodate students who wish to take pictures on the beautiful campus of Central College. To utilize the valet parking, enter the circle drive between Graham Hall and the Graham Annex just off of University Street which is on the south side of Central College's campus. Students who wish to by-pass the valet can park in the parking lot off of University Street just south of Graham Hall.

The Promenade will begin at 5:30 pm after pictures have been taken and the doors to Graham Hall have been opened. We are still working on the details for the live viewing of the Promenade.

Parents are asked to utilize street parking and the lot west of the Maytag Center off of Independence.

DINNER & DANCE

Students will enter Graham Hall and show their Prom ticket to the maître d'. Based on the name of the reservation listed on each Prom ticket, the maître d' will escort the students to the appropriate table. The dinner, catered by Central College, and musical entertainment will begin around 6:00 pm. At the conclusion of dinner and dessert, there will be more entertainment at Douwstra Auditorium. The dance will commence at 9:00 pm after everyone has been entertained and are ready to dance the night away!

******Unfortunately, students who choose to leave Prom at any point during the evening, will have to sign out and will not be allowed to re-enter the dinner or the dance.***

AFTER-PROM SNEAK PEAK

Starting at 11:45 pm, students can check into the high school for After-Prom with their After-Prom ticket. Students will be able to enjoy games, food, and a hypnotist. Did I mention food...they will not go hungry!!!

******Doors lock at 12:45 am and if students choose to leave, parents will be contacted to ensure the safety of that student.***
