Principal Newsletter

The mission of the Pella Community Schools is to maximize life's opportunities for every child.

Dear Parents/Guardians:

It has been a unique second semester of the school year with the weather issues. Now, the last couple of weeks of school are already upon us. It has been an outstanding year for our students as they have achieved at high levels academically as well as extracurricularly. We are very proud of how the students adjusted this semester.

We were extremely proud of the effort of the students during the Iowa Student Assessment of Student Progress. We appreciate all of your support for Pella Community High.

We want to thank all senior parents for their support over the past four years. It is an exciting time with less than four weeks to graduation. We wish seniors the best of luck in the future.

Thank you,
Eric Nelson
Principal
