## STRENGTH AND CONDITIONING

"The strength and conditioning program has  
been invaluable to our girls' soccer program. It  
raises our program to a new level and we would  
not be as competitive without it. The girls have  
bought in to it and realize how much difference  
it makes."

—Mark Howard, *Girls Soccer Coach*

"The up-to-date strength, speed, and move-  
ment programs they supervise and provide allow  
us to compete at a very high level."
