# Women's Basketball CENTRAL

For girls entering grades K-4, this is women's basketball CENTRAL!

Your daughters will get a full day of women's basketball players leading them in skills, competitions, activities, teammate 101, and fun games while building relationships with strong female role models.

One day means one drop-off and one pick-up for parents! Lunch and afternoon snack will be provided. Lunch will be in the Central Market, the campus dining facility, which is usually campers' favorite part. Three words: Self-serve ICE CREAM!
