CENTRAL

DEVELOPMENT

The goals of the Dutch youth soccer camp are simple: to help young players develop into knowledgeable, skillful, top-level players with a love for the game of soccer. The camp will provide a challenging and encouraging learning environment with instruction from the Central College soccer staff and athletes. The focus will be on technical work and proper development of basic skills appropriate for each age level including:

- SHOOTING AND FINISHING
- DRIBBLING AND 1-ON-1
- DEFENDING
- TEAMWORK
- SPORTSMANSHIP

WHAT TO BRING

Soccer cleats, white t-shirt, shin guards, soccer ball, water bottle, and a good attitude. Please label all personal belongings.

WEATHER: In case of inclement weather, camp for the day may be canceled. There will be no refunds.

ONLINE REGISTRATION

Basic medical history and insurance card information will be necessary during sign-up.
